### **Licensing requirements for Garden State Velodrome.**

ALL riders regardless of their cycling abilities and experience, are required to be licensed to ride at the Garden State Velodrome. No exceptions.  
Thank you for your patience as our Velodrome opens.

If you have track riding & racing experience on banked tracks within the past 2 years, And a USAC Category Elite 1, 2, 3 (Track) or Category Elite, 1, 2 (Road) License, you can expedite your licensing via our Fastrax program:

If you are planning your visit to Garden State Velodrome, **please forward to us your credentials in advance**, in order to expedite your Licensing. Please forward:

- A Completed New Rider Information Sheet; available at [www.gsvelodrome.com](http://www.gsvelodrome.com)
- Original signed copy of the USAC Waiver; available at [www.gsvelodrome.com](http://www.gsvelodrome.com)
- Copy of your USAC License;
- Copy of your Photo identification (driver's license);
- Copy of your recent Track riding / racing experiences, with a list of Velodromes you frequented, and with any contacts that know your skills and abilities.
- Licensing Fee: \$17. (Cash or Check made payable to *Garden State Velodrome Assoc.*) or PayPay (online payment Only via [www.gsvelodrome.com](http://www.gsvelodrome.com))
- (\$17 Clinic which includes same night's open track training- not including Race fees, if applicable)

Otherwise, bring all copies of these documents with you to the Fastrax-clinic.

For your first visit, please allow extra time to process your registration. During our first months of operation, there will be a lot of new and experienced riders to process. Our goal is to get everyone riding as quickly and safety as possible. We will do our best to get everyone licensed as soon as possible. ***There is a Limited number of riders per Clinic and we recommend you sign up early as Onsite registration may be full.*** Once you have completed licensing you may proceed directly to the track for riding after daily registration and sign-in.

**Clinic:** 15-20 minute Venue and track Orientation, we are a unique venue as we still share the facility with motorsports. After the Clinic, you may ride, yielding to other clinics on the track and staying above the stayers line.

**Bike setup:** We recommend 700x23 Clinchers, GSV is a fairly smooth asphalt surface, Banking is approx. 30 degrees. Road sew-ups may also be used. We do not recommend "Track" edition Lightweight sew-ups.

All bikes must be inspected for track compliance prior to riding. Staff reserves the right to make licensing decisions for each rider on a case by case basis.
