

MOTORPACE ENDORSEMENT

Riders with current GSVA Class A, B, C;
Class D* with approval from a GSVA Operations Manager

Licensing requirements for Garden State Velodrome.

ALL riders regardless of their cycling abilities and experience, are required to be licensed to ride at the Garden State Velodrome. No exceptions.

In order to compete in events at GSVA that use a Deryn or Motor-scooter as a pacer, Riders must be a GSVA Class A,B,C rider and have completed the required motor-pacing clinic, and have a issued Motorpacing endorsement (MOT), affixed to their GSVA License.

Requirements for endorsement include:

- A Current GSVA License Class A,B,C; (Class D* with prior approval from the GSVA Operations Manager)
- Original signed copy of the GSVA Waiver; available at www.gsvelodrome.com
- Copy of your Photo identification (driver's license);
- Endorsement Fee: \$25. (Cash or Check made payable to *Garden State Velodrome Assoc.*) or PayPay (online payment Only via www.gsvelodrome.com)
- Completion of required GSVA Motorpacing Clinic while showing proper knowledge, skills and abilities to motorpace.

Bring all copies of these documents with you to registration/sign in.

Please allow extra time to process your Endorsement. During our first months of operation, there will be a lot of new and experienced riders to process. Our goal is to get riders riding as quickly and safety as possible. We will do our best to get you endorsed as soon as possible. ***There is a Limited number of riders per Clinic and we recommend you sign up early as Onsite registration may be full.*** Once you have completed you may proceed directly to the track for riding after daily registration and sign-in.

Clinic: 1-1.5 hours ; Covers track events & riding, rules, track etiquette and safe techniques of riding on the Velodrome with a Deryn and or Motor-scooter. After completing the clinic, fulfilling the requirements and showing proper knowledge, skills and abilities to motorpace with or without a group, GSVA may grant a Motorpacing Endorsement, This will allow you to participate in GSVA events that use a Deryn.

Bike setup: We recommend 700x23 Clinchers, GSV is a fairly smooth asphalt surface, Banking is approx. 30 degrees. Road sew-ups may also be used. We do not recommend "Track" edition Lightweight sew-ups.

All bikes must be inspected for track compliance prior to riding. Staff reserves the right to make licensing decisions for each rider on a case by case basis.
